

Technical Data Sheet

Lawnmower Oil 10w-30

Product Code: AGR028 - Revision: 20181217

Product Description

A new generation of multi-grade engine oil manufactured from carefully selected, high quality base oils and the very latest additive technology. The inclusion of dispersants helps to maintain engine cleanliness in the latest petrol engines.

Benefits

- High shear stability for stay in grade performance.
- High temperature stability.
- Anti-wear performance for reduced engine wear.

Applications

Suitable for petrol engines where the manufacturer recommends SL, SJ or earlier specifications. Also suitable for diesel units that require CF or CD type oils.

Typical Test Data

Density @15°C	-	0.866
Flash Point (°C)	-	200
Kinematic Viscosity cSt @ 100°C	-	11.0
Kinematic Viscosity cSt @ 40°C	-	70.5
Pour Point (°C)	-	-35
Total Base Number (mg KOH/g)	-	10.2
Viscosity Index	-	147

Product Profile

API SL, SJ
